## **Privacy statement**

The privacy of your personal information is very important to us. In order for us to gain and maintain your continued patronage, FIAAA has created the following privacy statement

### **IP Address Information**

We use IP address information to help diagnose problems with our server, and to administer our web site. We gather broad click pattern information to track marketing performance of certain links. This system logs IP addresses, the pages visited on our site, and the site of origin if relevant. No personal information is collected in this process.

### **Cookies**

Our site uses cookies to provide access to certain areas of the web site for purposes of correct software functionality only.

### **Links**

This site may from time to time contain links to other web sites. FIAAA is not responsible for the privacy practices or the content of such web sites.

### **Personal Information**

We collect your personal information when you register to use our services. In addition, we collect information when you correspond with FIAAA or use our services to make enquires or transactions. Your personal information is used to provide services to you and to help us better understand your needs and improve our services. In order to improve our service and expand the range of products and services we offer, FIAAA may use your personal information, such as your e-mail address from time to time to request comments about your use of our site. By registering with FIAAA you consent to our use of your personal information.

### **Security**

Personal information received from you is stored on our servers. Any person who is not authorised by FIAAA cannot access our servers.

### **Compliance/Updates**

FIAAA strives to comply with the Privacy Commissioner's Information Privacy Principles in the National Scheme for Fair Information Practices in the Private Sector. FIAAA also intends to comply with industry privacy codes as and when they are developed.

If further privacy legislation and/or self-regulatory codes are introduced or our Privacy Statement is updated, we will summarise any modifications or enhancements in this section of our privacy statement.
